Flu Shot Clinics Overview 2011-2012

Employer On-Site Flu Travel Clinic Details

- On-site flu clinics can be scheduled anytime.
- No out of pocket cost if covered by employer pharmacy service benefit. Otherwise, \$25 per vaccine.
- There is a minimum of 10 people required for an on-site clinic, but employees can also visit the pharmacy at anytime.
- 30 people an hour can be vaccinated using one certified pharmacy staff member. For larger employers, several staff members can be provided.
- Participants must be 18 years or older.
- Each employer needs to provide a person to assist with paperwork and payment during the entire clinic.
- The H1N1 flu strain is included in the seasonal flu vaccine this year.
- More information can be found at www.flu.laddfamilyrx.com

Scheduling

To create an online sign up sheet for your group there is a free site called www.mysignup.com that is easy to use. It can help streamline scheduling for large groups. Reminder, we have a 10 person minimum, but can usually handle 30 people per hour. We can schedule more than 1 certified staff member for larger groups.

Billing Information

- If not covered by employer pharmacy service benefit, we can accept cash or check for the vaccine.
- Employers paying for the shot will be invoiced after the clinic the difference of the guaranteed minimum (where applicable). State agencies are exempt from the minimum guarantee.
- Guaranteed Minimum (state agencies exempt): In the event of requesting our on-site flu vaccine clinic, your company will have to make a minimum guaranteed payment equivalent to the minimum people per hour of 10 flu vaccines equating to \$250 either by check or credit card to secure our services. If the minimum per hour is reached during the actual clinic the amount in full is refunded (when using employer pharmacy service benefit) or used proportionally towards the \$25 per vaccine cost. This payment is necessary, as flu vaccines will have to be reserved for your company, thus making them not available to other patients.

If you have any questions or want to schedule please call Ladd Family Pharmacy at 947-0877 or send an email to laddrx@gmail.com
